ACME GADGETS - SHIPPING AND DELIVERY (SAMPLE DATA)

Delivery times
Standard delivery takes 3 to 5 business days. Express delivery takes 1 to 2 business days and is available for orders placed before 2 pm. Remote areas can add up to 3 extra days.

Tracking your order
A tracking number is emailed when the parcel leaves the warehouse. Tracking can take up to 24 hours to show its first update.

Missing or delayed parcels
If a parcel has not arrived 7 business days after dispatch, contact support with the order number. We open an investigation with the courier and either resend the order or refund it.

Changing the delivery address
The address can be changed only before the order is dispatched. After dispatch, ask the courier to redirect the parcel using the tracking number.
